Hello,
Greetings of the day!

To buy full version of school software along with source code:

Buy Now Link:
http://phpsoftwares.com/blogsite/school-software/buy-now-school-software/

Once you have made the payment by paypal or instamojo, you receive auto generated email with download links as soon as payment is confirmed. Generally takes 5 to 10 minutes to receive links for download.

We also have live chat support 18 hours a day on our site www.phpsoftwares.com and email support 24 hours info2016@phpsoftwares.com

We will even send you download links manually as soon as we can.

We will provide free installation service upon your request.

Please let us know if any queries.
