

TOSHIBA
INNOVATION IS A JOURNEY
NOT A DESTINATION

Dear Customer,

Thank you for purchasing a state-of-the-art Toshiba computer with the latest 3D technology inside.

As this is a new technology and we want to ensure that you can enjoy the best possible experience with 3D, you can play different kinds of 3D videos on your internal LCD display or you use an external 3D TV via the HDMI out port, please install the applications listed below.

Please download and install the software using the following steps **in this order**.

1. NVIDIA Stereo USB Driver

Download the software from the TOSHIBA website and unpack the files.

<http://support1.toshiba-tro.de/tools/addendum/top100046/nvidia-stereo-usb-driver.zip>

Change to the download folder and double-click the TC40139100A.exe to start the installation.
Please follow the instructions on the screen to complete the installation.
